Re: Promotional Items

Alberta One-Call (AOC) offers promotional items for member companies to order online at <http://albertaonecall.com/members/>. Due to the 'first come / first serve' distribution in previous years, inventory has depleted quickly and some members have not had the opportunity to take advantage of these items when educating customers about safe digging and locate processes.

In an effort to provide more equitable distribution of these promotional items, AOC is establishing inventory limits in relation to member notifications. This means that a company whose notifications are equivalent to 10% of AOC's revenues will be able to order 10% of the available promotional items.

Please email info@albertaonecall.com for the amount of promotional items your company will be able to order in 2017 or if you have questions about this correspondence.

Thank you for your cooperation.

Yours truly,
