

## Enabling Pop-Ups

### Internet Explorer

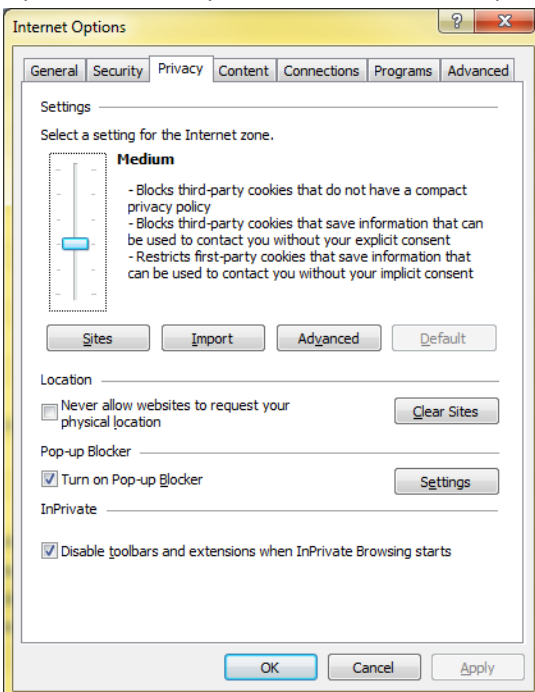

1. Click the “Gear” in the top right corner

2. Click on “Internet Options”

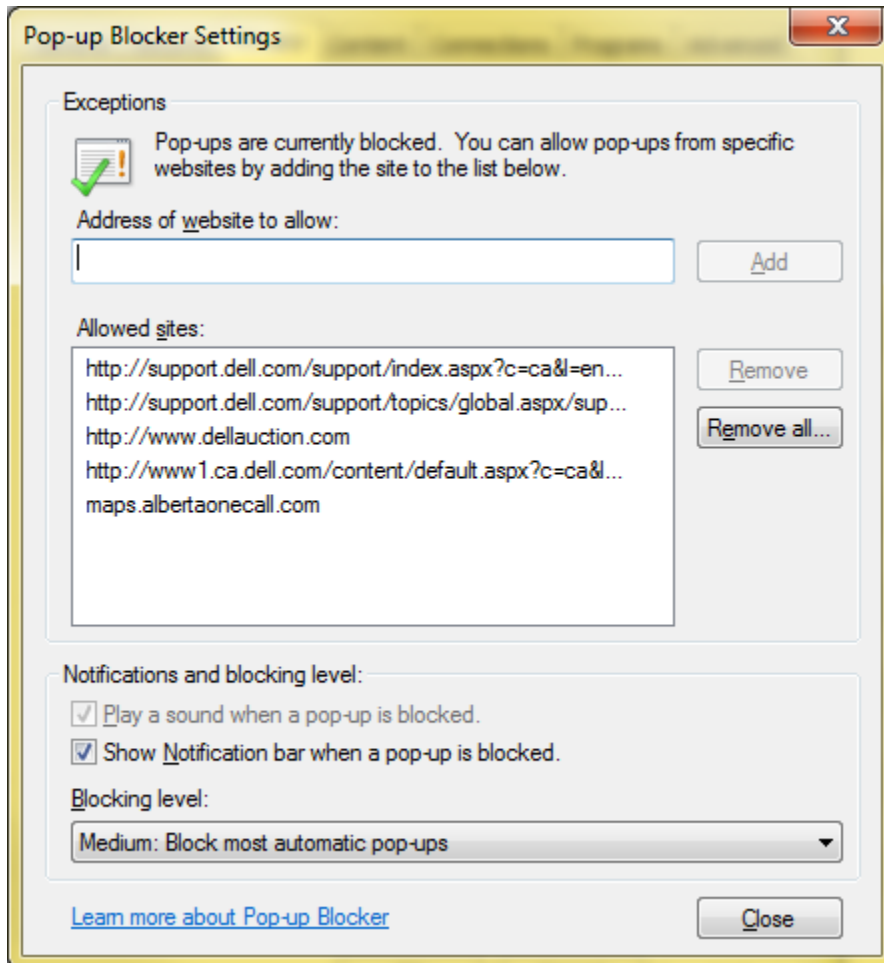

3. Open the “Privacy” tab in the “Internet Options” window that pops up

4. Click on "Settings" under the "Pop-up blocker" field

5. In the "Settings" window, type in **maps.albertaonecall.com** in the "Address of website to allow" field, and click "Add". It should show up in the list below

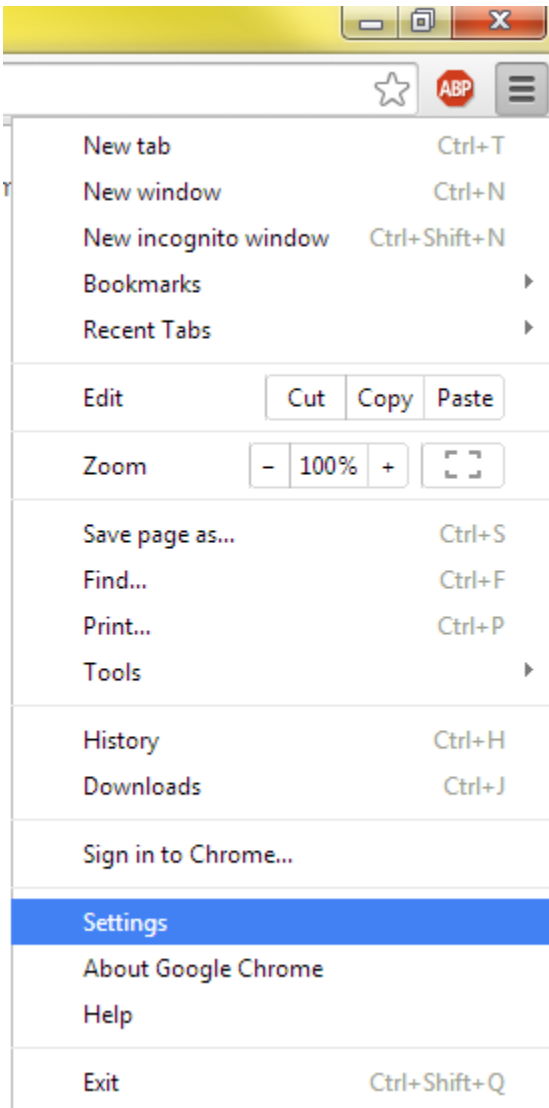

6. Close all windows!

## Chrome

1. Click the icon with 3 horizontal bars in the top right corner

2. Select "Settings"

3. Select "Show Advanced Settings" in the tab that opens

## Settings
